A Message From Dr. Ansay

Dear Graduates:

Congratulations! You have earned a diploma from Norton High. I hope that when you look back on your days in Norton, that you remember them as times of fun, personal satisfaction and academic challenges.

Your high school years have prepared you for success in further education, the work force or the military. Whatever you choose, I am sure that your contributions will be outstanding. Take with you my sincere wishes for much happiness and success on your journey to adulthood.

Yours truly,
Patricia H. Ansay, Ed. D.
Superintendent of Schools

A Message From Mr. Dewar

Class of 2010:

Congratulations on making it to graduation. I hope that we have given you the tools to be able to successfully tackle whatever comes next for you. No matter what you do or where you go, there will be challenges that face you. However, if you remember a few, basic things from high school, you will be ready.

- The ability to communicate ideas and understand what other people are saying is vital to success anywhere.
- If you know how to access information, then you will never be without an answer for long.
- Anything you face, no matter how daunting is just a problem to solve.
- Hard work is OK, but also leave time for play.
- If you cannot fit it into your book bag, you probably do not need it anyway.
- If you like to think inside the box, remember that there is no box.
- Life is what you make of it too.

You have made a difference at Norton High School.

Sincerely,
Mr. Raymond Dewar

A Message From Mrs. Lafayette

To the Class of 2010,

Just four years ago you entered Norton High School as small and timid freshmen, and now you have become bold and confident seniors. In the four years you have spent here, you have learned many things. You have discovered what subjects you love, the ones you hate, the people you can trust and those that you cannot. With all the lessons you have learned in and out of the classroom, I am confident that you are ready to take on the real world. I wish each of you the best as you leave the halls of Norton. I hope that you discover your passion in life and work towards it.

Sincerely,
Megan Lafayette

My heart goes out to the friends I left in Weymouth, Annie Moretto, Sarah Rinehart, Nicole Spratt Andres Butler, Lauren Vallance, and Elise Labonte. But I also must thank the friends I have made here, Elizabeth Estremera, Rachael Maggiani, Brian Finney, Vanessa Ware, Alecks Donato, Briana McNeill, Timothy Colpritt, Jason Platt, Diedre Giguere ,and Alan Charboneau. I have had many great teachers but the ones that particularly stuck out were Ms. Siegal, Mr. Greene, Ms. Stanton, Ms. Marzelli, Mr. Vitelli and Ms. Godfrey. I loved most of my teachers but these ones were truly worth the grade I got in their classes.

Ashley Greco. You are a great girl, thanks for being there for me as a great friend through our whole high school career. We have had a lot of chats about numerous different situations like boys, family, and other things I can't mention in here! We have always been there for each other and always will girl! Jacob Bergeron. You really are my best friend! I don't know what I would have done if I didn't meet you freshman year in Physical Science with Dowty. We have been there with each other through thick and thin. I can't wait to get married :). Patrick Kelly. Bat Smelly. You're a great friend and I can clearly tell you anything! If you know what I mean, and I think you do. We have had way too many good times to even mention. When I need advice real quick I go to you, and if something happens you hear about it first most of the time. You're a great friend and I can't wait for college visits next year! Mom. I can't describe how much you mean to me. Thank you for being there for me through so much; like papers, drama in school, fights with Colleen, and when I just am having one of those days and need a quick shopping fix. I am going to miss having you there all the time at college and I know you said you are going to miss me, but I'm sure I'll call you as much as Colleen does and you'll try and find ways to miss my calls. Chelsie Schuko. I miss you and haven't talked to you as much as I wanted to. But this summer you better make some room in your schedule for some travel with the Gallahue Sisters. You're part of the Cape/ Vineyard/ Nantucket Crew now girl! We have been such good friends ever since that boy Corey Hatch got us together! At least we know he's good for something. Come Home to me. Dad. You are not like most fathers. I come to you for advice about friends, family problems, homework questions, and advice about boys, You barely ever get mad at me, just when I talk on the phone and drive or miss a tennis lesson. You are the best Dad and I hope I'm like you when I'm older. Kathleen. Hello Mrs. Lady. Right now I'm writing this and you are really annoying me, but I do love you. We have so much fun together being hyper together and a lot of people don't understand how we get so crazy together, but we do. MOMMMMM ANNSWERRR MEE! We still have to learn the One time and Ice Cream Freeze dance. Colleen. Remember the boat times? Haha You are the greatest sister. I would have gone crazy without you these past couple of years. You have become my best friend, and I never thought that would have been possible six or seven years ago. You help me become a better person, and make me more confident in myself. You forced me to come out of my shell and not be afraid to meet awesome people. I can't wait to travel with you, because no one else will. We are perfect for each other because we love going on new and crazy adventures; like

the Cape, Nantucket, New Hampshire, and the Vineyard. And no one assaults with you and gets away with it..."You're really going to fight a girl, ARE YOU KIDDING ME" and the rest would not be allowed to be in here. YOU SOUND LIKE YOU'RE FROM LON-DON. National Honor Society

The Jean G. Findlater Chapter of the National Honor Society requires members to be a junior or senior with a cumulative GPA of 4.30 who has demonstrated outstanding character, leadership, and service to the school and community. Members individually volunteer their time to be peer tutors after school and as a group the members participate in a variety of activities. The society's members help out in the community by volunteering at various school events such as the LGN Winter Carnival and JCS Spring Fair, while also organizing their own events as a society. This year the chapter put together a Friendly's Fundraiser to raise funds for the Senior Class Play. Once again members will be participating in the Bike-A-Thon for scholarships. During the annual bicycle event, members solicit pledges for completing the 10 mile ride around Norton. National Honor Society members' exquisite service is highly appreciated by the Norton Public Schools community.

* Spanish Honor Society

For over fifteen years the National Spanish Honor Society (or La Sociedad Honoraria de Espanol) has been an exciting and productive Society consisting of Spanish students who demonstrate respectful character and outstanding leadership qualities. Members of this society tutor fellow Spanish students along with participating in community service including visiting EPOCH twice a month and putting on an annual EPOCH talent show. The students are also involved in school activities, such as the Day of the Dead Celebration and plan the Semi-Formal Dance with the French Honor Society. Run by the enthusiastic Ms. Godfrey, the National Spanish Honor Society gives scholarships to two Senior class members each year.

French Honor Society

La Société Honoraire de Français, or the French Honor Society, is the French epicenter of Norton High School. The goal of the society is to seek to promote an appreciation and understanding of francophone cultures and the French language itself, and with Madame Penza as the advisor the society accomplishes just that. Members of the society provide tutoring throughout the school year for French students and organize the school-wide Mardi Gras celebration along with the annual Semi-Formal. Each year the society provides scholarships to seniors who plan to study French in college with funds raised throughout the year. Norton High School definitely benefits from these dedicated French lovers and their help in spreading a little French amour.

The new Science Honor Society began this year with the purpose of encouraging participation and recognition of science at Norton High School while also participating in community service. To be a member of the Science Honor Society there is the requirement of having 3.0 / 4.9 GPA and a cumulative B+ Science GPA while also being enrolled in or having completed a second higher level science course prior to or during their senior year. This year the Society began a tutoring program for fellow science students and has had great success. Norton High is excited to see the great things the Science Honor Society will accomplish in coming years.

During the 2009-2010 school year, the National English Honor Society was established. Its goal is to promote a love of literature and writing, and to foster a positive academic and community spirit. The society honors sophomores, juniors and seniors for their superior academic performance in English and their overall GPA. Members of the society tutor fellow peers after school and this year organized an entire school book drive. The success of this society in the future is due to the dedication and passion its many members and advisor Ms. Malone have.

The Art Honor Society has been at Norton High School for 24 years. The requirements to be in this society are to have taken a full year of art classes and maintained a B average in those classes. The society has three main goals: to serve the community, to raise money for senior scholarships and to continue to excel academically in all other subjects while bringing art to the attention of the school and community. The Art Honor Society participates in many different projects such as painting pots and holding carnation sales for Valentine's Day. In March, the Society holds the Art show where members are responsible for setting up and selling items. The society accomplishes its goals with the help of Mrs. Lewicki. Norton High School thanks the Art Honor Society for using its creative talents everyday and continuing to demonstrate its excellence.

Norton High School Student Council's has made leaps and bounds this past year. For the first time in Norton Student Council history, STUCO won awards at the state level (M.A.S.C.) for top ten project award and as a silver council of excellence. Throughout the year, Student Council runs different activities for Norton High school trying to boost school spirit and get students involved. This year, Student Council ran a Back to School Pep Rally, Welcome Back Teachers, Spirit Week, Homecoming, Thanksgiving Pep Rally, Santa Fund, NHS Talent Show, Hypnotist Show, Goodbye Seniors along with working with S.A.D.D to bring Rachel's Challenge to NHS. STUCO also held fundraisers at Borders and L.L. Bean along with doing some valuable community service at EPOCH nursing home a few times during the year. To gain better knowledge to serve as the voice of the student body voice STUCO performed an all school survey this year that really helped the student leaders see how the students felt about NHS. Overall Norton High School Student Council has really worked hard this past year brainstorming and hosting great activities which are beneficial to all of NHS! The leaders of STUCO are President: Joe Petrelli, Vice President: Aaron Ledwith, Treasurer: Carolyn Le, Secretary: Julia Ariola, Historian: Sara Pishdadian, Webmaster: CJ McMahon and new position SEMASC representative: Kady Ferguson.

The NHS yearbook staff worked hour after hour to make the 2010 yearbook great. Editors Casey Goodman and Jess Sumner contributed the majority of candid photos, edited many pages, and spent many late nights in the computer lab. Editor Emma Marcotte designed many layouts through out the book and put in many of her own creative ideas. Kathryn Angers worked very hard on the parent ads and Editor Dean Kennedy did layouts for both club and sports pages, and helped identify who was who. Others helped out at the beginning of the year developing layouts for dance pages, uploading photos and brainstorming theme ideas. Freshmen, Rachel Burgess, Cait Flippin, and Erin Gill, worked endlessly with Ms. Siegal calling company after company to get orders for business ads. Sara Pishdadian made sure all the honor society write-ups sounded honorable. Ms. Immonen put in many hours helping editors with pages, coming up with original ideas and making sure everything ran smoothly. Thank you to everyone that contributed club and sports write-ups. Many long hours were put into this yearbook so put it on a shrine, hang it on your wall, keep it with all your trophies, ribbons, and tiaras, because this yearbook DOMINATES!

DECA

The Norton High School DECA program was started five years ago, and this year was run by Mrs. Albritton and Mr. Sumner. The students participated in a two day Business Marketing competition with 12 other schools in the district. Competition involved students participating in different business areas. The organization was very successful this year and over twenty students qualified for the State Career Development Conference. DECA is a great influence for many students and they take a lot away from the conferences they attend. The club was run with the Advisors by their Action Team consisting of Jeremy Wright, Nick Bradley, Colleen O'Neil, Jess Quintanilha, Kate Baird, Jess Wasylow, Jamie Robinson, Annie Ledbetter, Brian Gannon, Colin Ahern and Evan DaSilva.

In the fall, a Broadway-themed concert was held at NHS, and the annual Winter Concert took place at the Middle School. The band performs selections from many different genres, including Pirates of the Caribbean, Amazing Grace, Bohemian Rhapsody, and The Nutcracker Suite. In May, the Norton High Concert Band will be competing for the first time in over four years at the Great East Festival in Salem, Massachusetts. The concert band plays at in-school ceremonies and graduation.

The NHS Jazz Band and Pep Band are two after-school performing ensembles offered to instrumentalists. The Jazz Band, directed by Jon Munroe, rehearses weekly and performs at local venues in addition to the NHS concerts. The Pep Band performs at all home football games and provides a field show for the audience in the stands. The Pep Band is also NHS's marching band, as the band is present at the town's Memorial Day Parade and the annual Halloween Parade. The director of the Pep Band is Miss Kyla Polak.

This year's drama club tackled an ambitious play for its fall show. Under the direction of Ms. Madden, the club performed Shakespeare's Twelfth Night, Or What You Will. Due to the group's larger number of female participants, Ms. Madden made an executive decision to switch the gender of Shakespeare's original characters. As a result, Brad McKeen was cast as a cross-dressing Sebastian while Erik McCormick played a vain and narcissistic Count. On the whole, this turned out to be one special performance. This year's Senior Class Play was The Somewhat True Tale of Robin Hood. The comedy proved to be an absolute success in the Norton Middle School Auditorium. With such an astounding cast, chemistry made the play work. These actors and actresses won the audience over with their great rendition of a classic tale. One of the most memorable moments of this play was seeing class president Kevin Fisher and John Willis dressed as women (seems to be a theme this year). Overall, the drama club with its new leadership did a fantastic job this year.

When you are walking around Norton High School, on the first floor back hallway you can hear the beautiful rich sound of the chorus rehearsing for their yearly concerts. The director, Miss Polak, puts in a lot of hard work and dedication to make sure the chorus is the best it can be. This year, chorus performed in 4 concerts, the Broadway Concert, Winter Concert, Pop Concert, and Spring Concert, and they usually sing a piece at Graduation. The pieces performed varied from "Think of Me," "My Grown Up Christmas List," "I'm Yours," and "Nella Fantasia." Sometimes the chorus even has field trips to the middle school or elementary school to have concerts for them. On May 21st, the chorus will be attending the Great East Festival, which will be the first time NHS Chorus will be competing in a competition. The past few years the chorus has seen a dramatic increase of people joining; just a few years ago there were 10 kids in chorus class, now there are around 30. Anyone can join chorus and are encouraged to do so. It is a great time!

Students Against Destructive Decisions is a group of students who believe that abstinence from drugs and alcohol is important. S.A.D.D. members have a common goal, it's a place where you don't have to be afraid to admit you don't want to drink or do drugs. The group meets twice a month and discuss different initiatives and activities to plan. Although their main focus is drugs and alcohol they also spend time discussing other dangerous and unhealthy teen habits. S.A.D.D. runs the bi-annual blood drive, the mock crash before prom, the Grim Reaper project, and several other educational and fun events. It's a really fun and rewarding organization.

S.A.D.D.

The Norton High School newspaper, The Lance, provides our school with vital information about worldly and local events. Editors, Ashley Greco and Sam Baker, put in a lot of extra work making sure all the articles are perfect. Local Colour is a literary arts magazine featuring student artwork and writing from throughout the year. The members collect a vast variety of work; anything from short stories to poems to artwork to lyrics. Different pieces of student work are submitted to the club, then considered for publication in the magazine at the end of the year. The carefully selected pieces are then arranged into place in the magazine to be published. Despite its small number of members, each member's hard work and dedication pays off in the final product.

Model Senate

The debate club provides an outlet for students with strong political interests and leanings to voice their thoughts. The club encourages political activism and interest in government. Every year the debate club represents Norton High School at the Model Senate of Southeastern Massachusetts. During meetings, members debate bills that they have written and current events issues. The club also makes an annual trip to the state house to observe the legislative process. The team is led by President Owen Voelker, Vice President Joe Cacaccio, Secretary Julia Ariola, and advisor Mr. Paul Duff.

GSA

Norton's Gay-Straight Alliance (GSA) is club at Norton High where everyone can come together and talk about Gay, Lesbian, Bisexual, and Transgender issues. Norton has had many GSA's throughout it's history but it's current chapter has been around for about two years. For the past two years, Norton's GSA has been run by Alexander Clegg, Vanessa Ware, Cassie Hynes and their advisor Ms. Siegal. Starting fall of 2010, GSA will be taken over by Cassie Hynes. GSA's main goal has been to help LGBT people find their place in the world and to enlighten students and faculty about their struggles. GSA has helped many students already and we hope to help even more in the future! Hopefully even more students will join GSA and continue to shape our community in a positive manner.

Student Mentors are sophomores, juniors, and seniors who spend an hour of their time every week to meet with small groups of freshmen called advisories. The mentors try to make the transition into high school for freshmen as smooth as possible by giving them advice, getting to know them, and playing games.

Student Mentors

Leadership Council

Leadership Council consists of students of all grades who meet twice a week and agree to build their leadership skills. Together, they participate in team-building games, hold discussions, and plan a variety of events, specifically aimed towards anti-bullying. In the spring, they go to rope courses sponsored by the University of Rhode Island, where they continue to work on their skills. Leadership Council is a fun way to make friends and get involved in the Norton High School community.

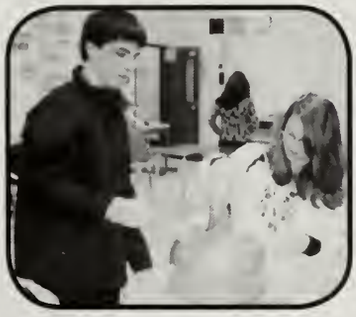
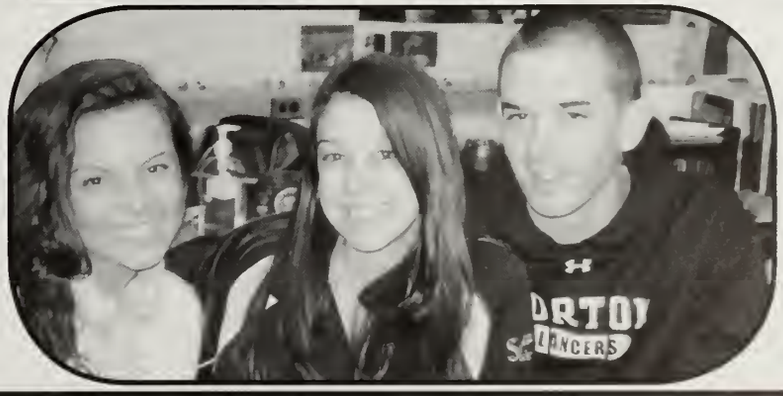
Friends of Rachel

Friends of Rachel is a collection of students who are looking to promote a positive and uplifting school environment. There are several smaller sub-groups that take on different school and community projects. Friends of Rachel is an extension of the Rachel's Challenge assembly held this fall. Rachel was the first victim at Columbine and her brother Craig Scott came to Norton High School to talk to students about creating a positive atmosphere. The main goal of Rachel's Challenge is to see how big of an impact one random act of kindness can have. Start a chain reaction of kindness and see how big, and how many people it can affect! Have you been kind today?





Pep Rally

The Norton High School annual pep rally was held on November 25, 2009. The gymnasium was filled with Lancer pride as our new mascot, played by Colin Ahern, busted through the Blackhawk banner. The class of 2010 took home the prize once again after dominating in many games and events like tug-o-war, balloon popping, donut eating, and more!

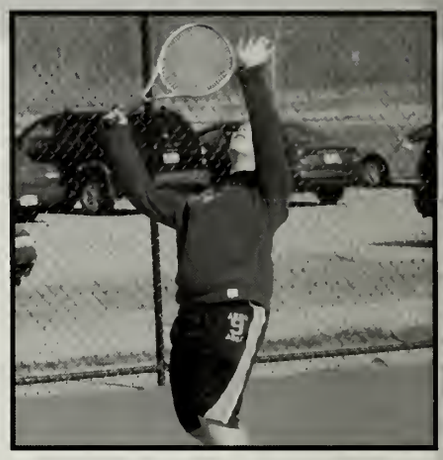
Boys Tennis



The NHS Boys Tennis Team is getting stronger every year. The great coaching styles of Cortney Greene and Eric Grasso and dedication of both varsity and junior varsity players helped the 2009 team find a place in the State Tournament bracket. Seniors Alec Dorsey and Captain Mike Ahern were named Tri-Valley League All-Stars for their efforts at 1st Doubles, while the 2nd Doubles team of juniors Sean Keating and Pete Danko had the best record on the team. Playing first singles was junior Kevin Fisher, while seniors Captain Pat Hillman and Ravi Patel dominated at the 2nd and 3rd singles positions. There are big shoes to fill for the 2010 squad, but the 2010 Boys Tennis Team has a bright future ahead.

2009

Girls Tennis underwent a difficult season, with a team comprised mostly of underclassmen. Although the team featured girls of all different skill levels, and from different classes, team unity was always present. There was never a time in which the girls were not laughing and bonding together. Senior Captain Calley Fisk worked hard at first singles. Junior Captain Priya Patel just missed making tournament, and had a successful season overall at second singles. Junior Sam Baker had a solid season at third singles player, despite being only in her second season of playing tennis. Senior Ashlie LaCivita performed well under pressure at first doubles, alongside her partner freshmen Kristen Tenglin.

The Lady Lancers weren't satisfied with "just" making the tournament under captains Nicolette Schuko, Stephanie Powers, Brianna Valeri, and Jillian Wry along with senior Amanda Fogg. The girls came together as a group and had the most successful season in a decade, making playoffs in Tri-Valley League in division 2 for the first time. Megan Elliott ended the season with 18 goals, being the leading scorer in the Tri-Valley League. Both Megan Elliott and Stephanie Powers were named TVL All-Stars and Sun Chronicle All-Stars. Kim Schubert, Megan Elliott, and Stephanie Powers were named All-Stars by the Taunton Gazette. Not only was the year successful for the players but also for coach Todd Kefor, who won Coach of the Year for the Taunton Gazette and the TVL. Seniors Captain Samantha Walsh, Captain Erica Pundt, Kerrin O'Connor, Colleen O'Neil, Laura Ready, and Priya Patel will leave their good friends and teammates behind next year, but the NHS team's "Journey to Tourney" will continue in their 2010 season.

The 2009 cross country team was composed of some very young members, but had a fair share of success. Led by junior captains Tim Johansmeyer, Mike Gillis, Annie Ledbetter, and Kayla Bessette, both of the teams had several victories. Many new people joined the team this season, and the future looks promising. The boys finished with a respectable 3-6 record, while the girls finished with a 4-5 record, their best in several years. The cross country team definitely has a great future in the years to come.

Swim

Junior captains Colin Ahern and Colleen McDermott and Senior Captain Jess Lantos helped lead the team through another exciting season of great improvement. The team went from 11 kids to 28 kids, gaining many new, enthusiastic swimmers! With the newly improved team, the Lancers were able to tie Ashland. Also, the boys team defeated Foxboro and Stoughton, while the girls were able to tie with Taunton. It was a very exciting year and many records were broken including the girls 200 and 400 medley relay, girls 500 free, boys 200 medley, boys 100 back, boys 200 free, and many others. The team finished their season successfully with their first ever Tri-Valley League Championship. This past basketball season was yet another season that will be remembered for the rest of the players' lives. The team ended the regular season with a record of 12 wins and 8 losses and made the playoffs as the 13th seed in Division 3 South. Standout players included lead scorer Ed Hannon and leading rebounder Adam Doucette. This year was the third year in a row that the team made the playoffs. There was a preliminary game before the first round of the playoffs against Foxboro, in which the Lancers were able to come from behind and win. During the first round of the playoffs, the Lancers faced 4th seed Norwell and lost a tight game that they will never forget. The team's goal each year is to try and make the playoffs in order to start a legacy for Norton High School Basketball. Prom

After the class of 2010 Prom Committee finally came to agreement on decisions such as tablecloths, favors, and center pieces, a year of their hard work came to an end. On Saturday, May 9th, 2009, Norton High School's junior/ senior "Grecian Gardens" Prom was brought to life. The formal event was held at Rhodes on the Pawtucket in Cranston, Rhode Island- a beautiful venue right along the Pawtucket River. The students looked their best in their elegant dresses and tuxedos, and they were as excited as ever as they entered the ballroom. After dinner and pictures, the dances began - and there was no denying the "wow" factor of the entertainment company, J productions. The DJs quickly transformed the ballroom with colored lights, strobe lights, a music video screen, and so on. They even shot water and foam into the crowd! As the night came to a close, seniors Kristen Morris and Rafael Colombo took home the title of Prom King and Queen, while juniors Colleen O'Neil and Sam Phillips were announced Prom Prince and Princess. The "Grecian Gardens" Prom is a prom for the history books- no student left disappointed!

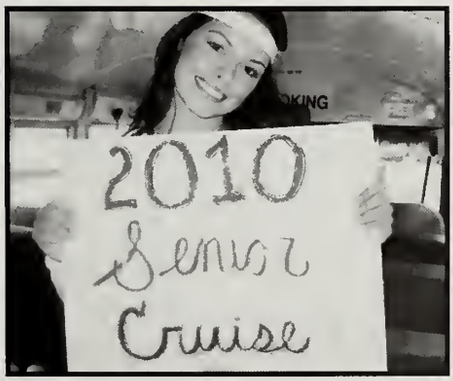
Senior Cruise

And 5,6,7,8! On September 22nd, 2009, the class of 2010 hosted the annual senior cruise on Boston Harbor. With the theme of "80's workout video," NHS seniors arrived at the school sporting their florescent spandex, sweatbands, and side ponytails. Excited students boarded several buses and headed off to the city, where they proudly walked the streets in their exercise clothing. They were quite a sight to see! The remainder of the night was filled with nonstop dancing and singing on the roof of the cruise ship! With the warm weather and beautiful city skyline, the senior cruise will certainly be one of the most memorable moments of senior year.



Homecoming Dance

BOO! Norton High School's Halloween Homecoming was a night full of fright! Students danced the night away dressed in their finest costumes. Seniors Drew Penney and Briana McNeill took home the ghostly glory as the Homecoming King and Queen. Sophomore Ali Zelinski won the paranormal prize of being named best overall costume, an eerie resemblance to the eccentric Octomom. Alex Clegg spooked the jamboree as Lady Gaga, winning most original costume. The unsightly assembly of Brad McKeen, Erik McCormick, and Anthony Mazzaferro as retro banditos took home the terrifying title of best group costume.

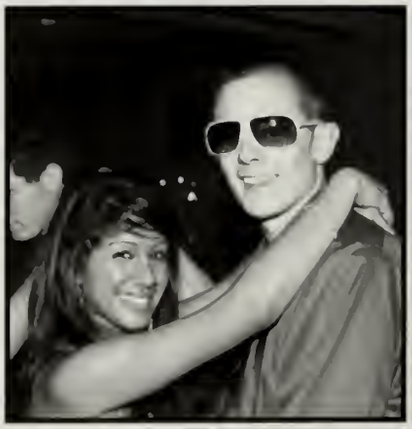
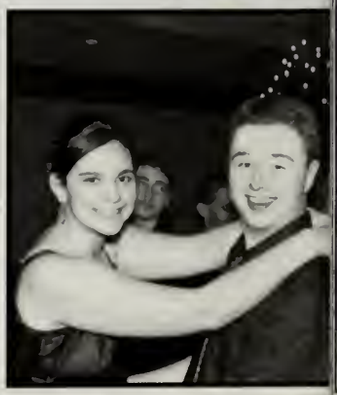
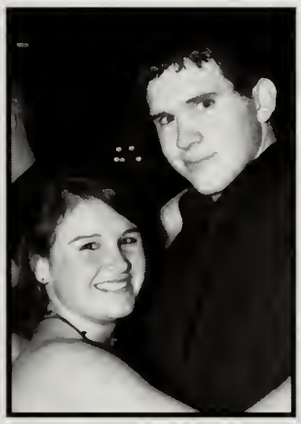
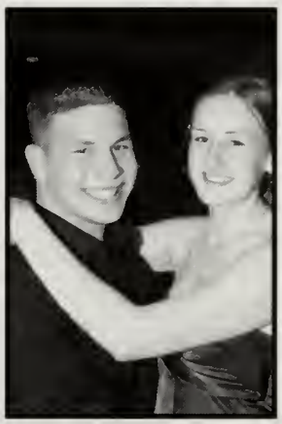
Semi-Formal

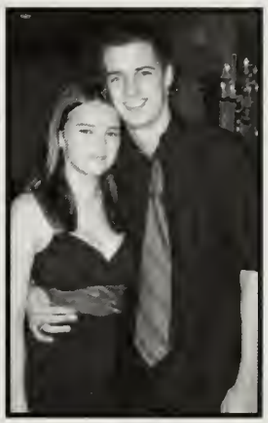
On Friday, November 20th, 2009, Norton High's annual junior/senior semi-formal was held at the Mansfield Holiday Inn. Co-sponsored by Mrs. Godfrey's Spanish Honor Society and Mrs. Penza's French Honor Society, the dance was a success. Students enjoyed taking pictures with friends and eventually sat down for dinner and dessert. The rest of the night consisted of dancing while the DJ played hit songs. The 2009 semi-formal was a great way to start off the school year!

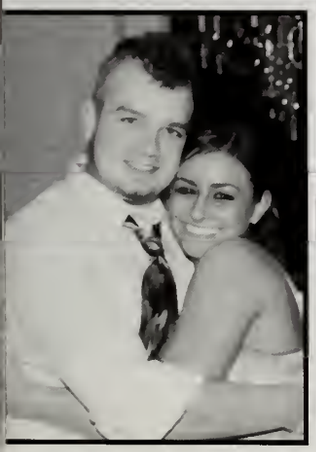


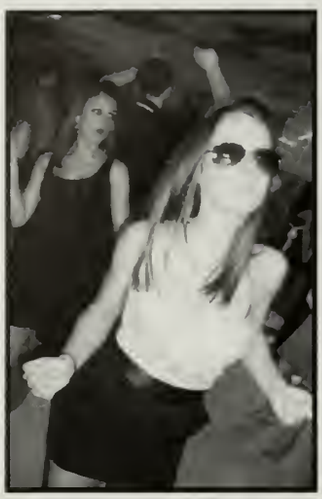












Snowball

The 2010 Snowball dance was hosted by the sophomore class of 2012 in the Norton High School cafeteria. The fun began at 7 pm on Friday, December 4, 2009 where freshmen and sophomores danced the night away. The refreshments provided energy to keep the dance alive under the sparkling designs that abundantly covered the walls and ceiling. The DJ provided upbeat entertainment for the snowy night. With all of the faculty and student help, the night was a great success!

Shaylee Bowman

Dear Shaylee,

As you graduate from high school,
a thought comes to mind.
Today you're looking forward,
but we keep looking behind.

Of days when you were small,
We knew they couldn't last
crawling, walking, then running,
it all went by too fast.

Your school years made us so proud of you
and all that you've achieved.
We knew that as you moved ahead,
it meant someday you'd leave.

Now it's time for you to chase your dreams,
and you need not ever fear.
Because wherever life takes you,
We'll always be right here.

Enjoy life's journey!

We love you very much.

COLLEEN O'NEIL

Colleen,

We are very proud of the person you have become, of your accomplishments and character. It seems like yesterday when you warmed our hearts as this young pre-school child, and now you are graduating from high school as a wonderful, beautiful, friendly and intelligent young lady. We know you will reach your goals and aspirations. You have worked hard and made the absolute most of your high school experience. We wish you all the best in college and the future, while you look back fondly on your high school years. You have earned friends and made memories that will last a lifetime, and built a foundation of education and character that will surely serve you well. You possess those qualities that will make you among the best at whatever you seek.

Study hard, have fun,
and make your dreams come true.
We will always support you.
Congratulations!
Love, Mom, Dad, Tyler and Jason

Nicolette Schuko

Nicolette, you make us so, so proud. You have accomplished so much in life already and this is just the beginning. I often think of the day that you were too scared to walk onto the softball field during practice and you sat on the sidelines for 2 weeks. Eventually, you found the courage to participate, and then, there was no stopping you. That year you discovered that with the patience and perseverance you could overcome your fears, accomplish your goals, and have fun in the process. As a child, you had so much difficulty with change. I look at you now and think of how far you have come. What a difference. You work so hard for everything you want. You don't let anything get in your way. When you set your mind on something, you make a plan and you go for it! Your determination, organization, and hard work will get you whatever you want in life. I know you will be successful and attain all your goals. Don't ever settle for less. You deserve the best! I love you and I have enjoyed the special times we had this year.

Love, Mom and Dad

Remember what is important.....

It's not having everything go right;
It's facing whatever goes wrong.
It's not being without fear;
It's having the determination
To go on in spite of it.
Remember that every day ends
And brings a new tomorrow.
Love what you do,
Do the best you can,
and always remember.....
You are loved and admired,
So very, very much.
We can't wait to see how truly awesome
Your future will be!!!!

It is a pleasure to have Caroline at Epoch. Caroline came first as a volunteer and showed everyone she came in contact with her loving, caring, outgoing, easy, happy, bubbly personality. Caroline has a smile that can light up even the darkest of rooms. Caroline went from volunteer to Assistant Activities Coordinator with great ease. We know that Caroline will excel in whatever she decides to do with her life because she is a strong, intelligent young lady who can overcome any obstacles that come her way. We are so proud and honored to know Caroline; she has already made a difference!! Wishing you every happiness.

Words of Wisdom

If you want something, take it. Don't let anyone, even yourself, stop you from doing what you love or think you might love. - Dean Kennedy

Enjoy your senior year, take AP Psych, don't forget where you came from and how you got this far in life. Remember that what you do affects others so act as though you do. Don't ever eat the macaroni salad in the cafeteria. Check the milk expiration dates before you pick them. Remember who your friends were and who they are today. Be nice to that smart kid in class even if he's weird, you know in 40 years he's going to be your boss. - Kris Tangen

Don't waste your time. Participate in the things that you really enjoy and make the best of the rest of it all. High school's over too fast to sit on the sidelines and expect others to make sure you have a good time. Get involved and have a blast! - Erica Pundt

It seems impossible to imagine that soon you will be graduating from high school. An entire chapter of your life will be coming to an end, and this world, the only world you've ever known, will soon be only a memory. But that is why it is important to make each day count. Time is always the perfect justification for never trying something, and it is a fatal flaw to delay taking action on the basis of procrastination. Timidity is a hindrance, trepidation is an obstacle, and waiting is an excuse. Live each moment with the acute knowledge that good things do not merely happen, they must be worked towards. Also, do not let the judgments of others dampen your spirit. In the words of Dr. Seuss, "Be who you are and say what you feel because those who mind don't matter, and those who matter don't mind." Know that the people that surround you now, the people you have grown up with, will not always be around you, and sooner than you think, they will be gone. So cherish every second of the experience and truly enjoy the ride, because in the end, you will laugh at the mistakes you have made and regret the mistakes you were too afraid to make. - Chad McAuliffe

The best thing you can do for yourself both physically and academically is sleep. We have all pulled those near all nighters doing nothing but playing on Facebook, and it's the worst feeling the next morning. Sleep and you feel more alert and energized for the upcoming day. So, sacrifice an hour or two of television and get some quality time with your pillow. - Brad McKeen

Work hard to achieve your goals. You can be what you want to be if you want it bad enough. - Andrew Ethier

The best way to get rid of your enemies is to make them your friends. - Cassidy Gilmore

Underclassmen, I leave you a quote by which to live your last years of high school. "You wanna know what living life to the fullest actually is? It's waking up on a Monday morning with no complaints. It's knowing you always deserve to laugh. It's doing what feels right no matter what. It's doing what you want to, no matter how stupid you look. It's about being yourself, cause no one can tell you you're doing it wrong." - Kevin Fisher

Don't leave your couches lying around in the parking lot. Always wear your i.d. or else. - Jeremy Wright

Don't always take the easy way out it will catch up to you eventually. - Jessica Sumner

The 2010 Varsity baseball team had a tremendous year. The Lancers won the Division 3 State Championship by beating 7th seed Coyle-Cassidy, 8-1; the number 2 seed Abington, 13-7; 11th seed Apponequet; and number one seed Hanover, 1-0. The team beat the north champs Whittier Tech with a huge lead ending the game with 21-4, sending them to the State championships. Norton took home the title of State Champions by beating west champs Ware, 7-4. Led by captain Scott Fraatz, they finished the season with a record of 18-8. Coaches Ted Currle, Dom Eno and Brian Clemmey guided the Lancers through their winning season. Seniors Eddie Hannon, Chris Lenihan, Bryan Feeney, Jeremy Wright, Scott Fraatz, Andrew Either, and Steve Finney all put a lot of hard work into every game, helping the team win it all. The underclassmen on the team also made huge contributions to bringing home the championship. The 2010 season will go down in the history book as one of the most successful Norton Lancers baseball seasons of all time.

Softball

It s been a rebuilding year for the Norton High School softball program. Along with welcoming a large freshman class, the program welcomed two new coaches, Coach Morse and Coach Marzelli. The teams spent most of their season learning and developing their skills together and learned to have fun and play hard as a team. The Varsity team, led by their captains and only two seniors Erica Pundt and Lily Parlon, finished the season with five wins, but the team bonding and fun meant much more. The two seniors helped bring the team together and helped everyone work hard and have fun. Despite the teams record, the girls all showed remarkable improvement over the course of the season. Next year promises to bring more success to the remaining members of the team

Boys Tennis

The boys tennis team had an outstanding rebuilding year in 2010. Graduating four senior varsity starters in 2009, the JV squad had big shoes to fill. Leading the Lancers squad again at first singles was Senior Co-captain Kevin Fisher. Kevin battled with some of the toughest competitors in Massachusetts. Having a strong year at second singles was Senior Pete Danko. Stepping up for the Lancers was P.J. Levesque. P.J. took command of third singles and defeated older opponents within the Tri-Valley League. At first doubles, Senior Co-captain Sean Keating and junior Rob Southworth finished the season with long matches that resulted in victories. The Lancers ended the season with a record just below 0.500, which is an extremely positive achievement after losing their first seven matches. The team is looking to dominate the 2011 season and have a bid in the state tournament. Thanks coaches for all your help and support!

2010

The girls tennis team had a wonderful season this year! The 2010 season saw great players who always tried their hardest. With only two seniors, Sam Baker and Megan Gallahue, the tennis team faced tough competitors but managed to give 110%. Coach Clark and Coach Lisa helped everyone improve, which was difficult because of so many inexperienced players. All the girls had a great time bonding. Sam Baker (1st singles) and Sarah Tenglin (2nd singles) were amazing captains! At the third doubles was a combination of Tory Carlson, Allie L., Kerryn Camara, Meg Gallahue, Tory Carlson, Kerryn Camara, Paige Southworth, Michelle C., Olivia Karcis, and Christiana Roberge. Thanks coaches for a great year!

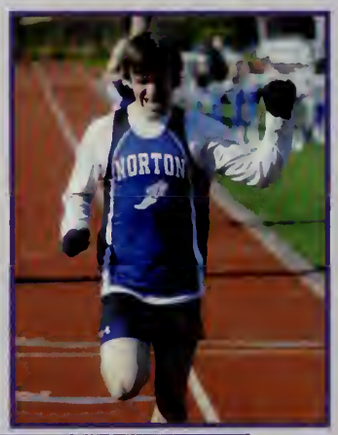
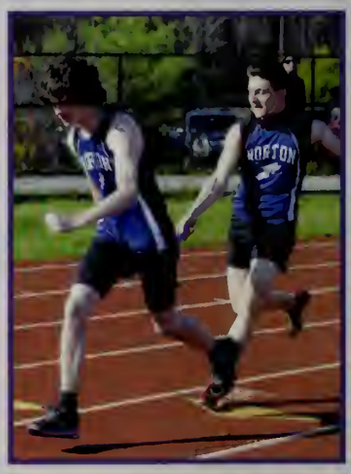
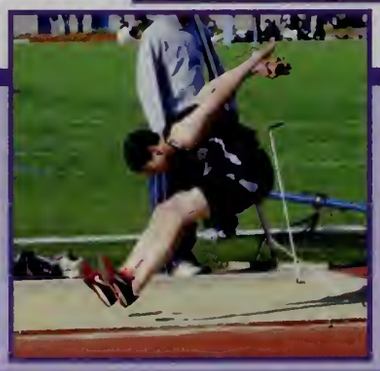
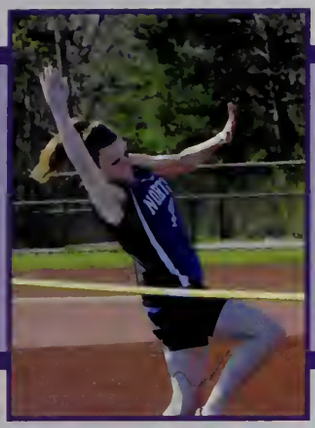
2010

The boys spring track team had an good season this year with a 5-4 record. Despite the lack of experience on the team, it was a respectable outcome, made possible in part by the intense commitment of the athletes and the leadership of captains Tim Johansmeyer, Matt Anderson, and Aaron Ledwith. Many athletes qualified for the Division 4 State Meet, often in multiple events each. The standout performances came from the 4x800 meter relay, which broke the 12-year old school record. The relay team included Brian Acker, Tyler Anderson, Scott Coleman, and Kevin Rogers. Captain Tim Johansmeyer was the season's MVP by scoring an amazing 132.25 points!

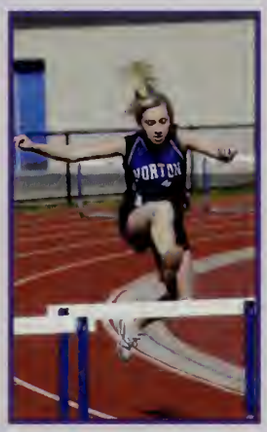








2010



The girls had another winning season finishing with a record of 5 – 4. There were a total of 24 athletes, over two-thirds of the team, who scored points for these wins showing the team's overall strength. A total of 5 school records were broken this year, many by freshman athletes, which shows the great potential for amazing things to come for this team in the future. In terms of league performances, the All-Stars were Caroline Allen and Courtney Williams, with honorable mention going to Kajsa Tenglin and Emma Ethier. There were standout performances at every competition truly displaying how talented and dedicated these girls are. All of these young women played an equal role in having so much success and being considered strong competition among the Tri-Valley League teams.

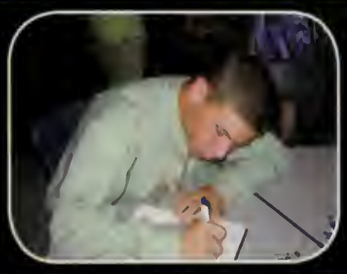
Senior Class Play

This spring the Norton High School Class of 2010 performed "The Somewhat True Tale Of Robin Hood" by Mary Lynn Dobson. This parody on the adventures of Robin Hood, played by Aaron Ledwith, comically breaks the fourth wall by including the audience. Robin's loyal crew of Merry Men, played by CJ McMahon, Lily Parlon, Caroline Alm, Tim Brown, and Marie Roberge sported tights and wielded wooden spoons. With the help of his men and the Town's Guy, acted by Brad McKeen, Robin braves the Dungeon of Demise and rescues the Lady Marian, played by Erica Pundt, from certain doom. Robin's ego and bowling talent are challenged as he attempts to defeat the Evil Prince John, played by Erik McCormick, The Sheriff of Nottingham, played by Joe Caccacio, and their lovely Fawning Ladies, played by Kevin Fisher, Katherine Schuko, Shaylee Bowman, Priya Patel, and John Willis.

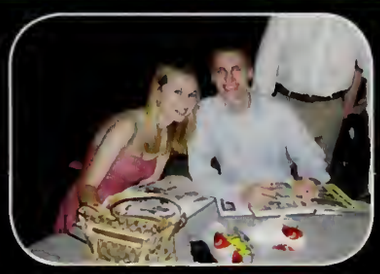


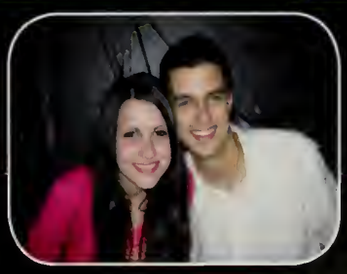
Six Flags

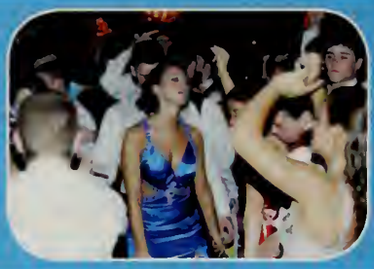
On Thursday, June 3rd many of the seniors gathered at the high school and hopped on the buses on their way to an exciting day at Six Flags. Once there, the Class of 2010 enjoyed a beautiful day filled with the thrilling rides and intense roller coasters.

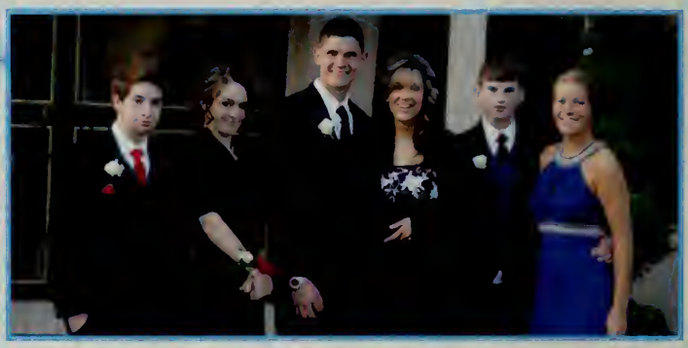
Class Night

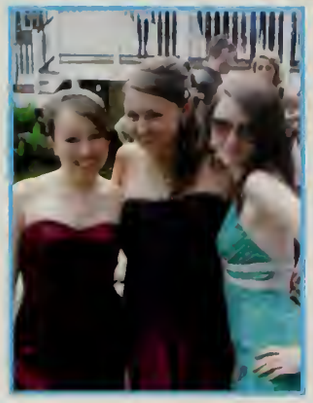
On Tuesday, June 1st, seniors flocked to the cafeteria to pick up their yearbooks, share one final meal as a class and celebrate their successes throughout the school year at the annual Class Night celebration. This year over $72,000 was given away in scholarships and awards to about 85 students. Congratulations Class of 2010!

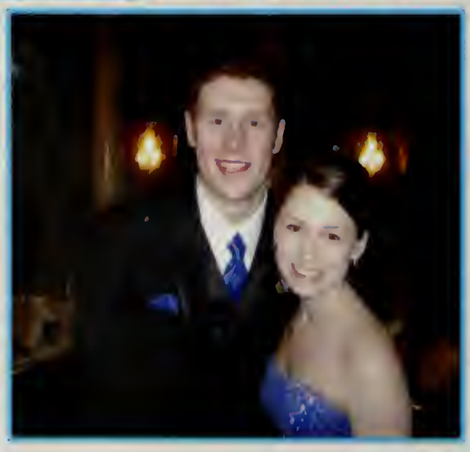


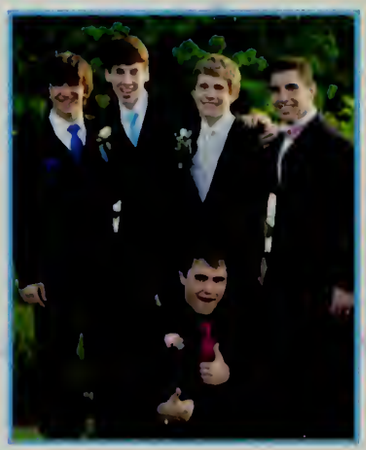


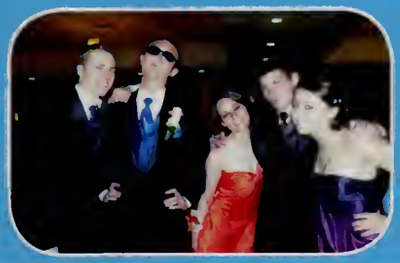








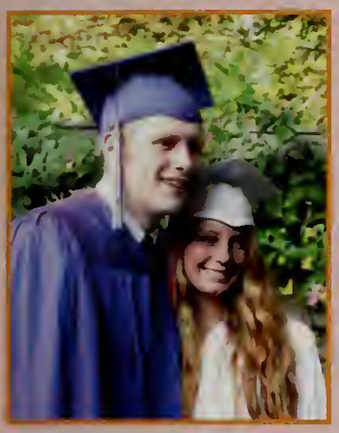




Prom

The Norton High School Prom was hosted by the Junior class and was held at Lake Pearl Luciano's. The theme this year was "Forever for Tonight." Juniors and Seniors danced the night away to many upbeat songs played by the DJ. Later into the night students gathered around the dance floor as John Willis and Bridget Giglio were announced as Prom King and Queen. Students joined together, arm in arm, as they swayed back and forth to Carrie Underwood's "Whenever You Remember," this year's prom song. As the night came to end many seniors teared up and said their goodbyes with the memories of an amazing night that they will never forget.

Graduation



The 104th Graduation of Norton High School took place on Friday, June 4th, at the Comcast Center. The stage that is usually filled with famous musicians held the over 180 graduating seniors, all decked out in Norton's colors of purple and white, while family, friends and faculty filled the amphitheater. The ceremony started with a Salute to the Flag, led by Class Secretary Priya Patel, followed by the Norton High School Chorus singing the National Anthem. A welcome address from Class President Kevin Fisher, and the Class Poem, recited by Elise Stafford, reminded students of the bond that they had created during their education in Norton. The chorus sang a beautiful rendition of "I'll Be There" before speeches made by Valedictorian Chad McAuliffe and Salutatorian Kaitlyn Baird, filled the graduates with inspiring messages for their futures ahead. As each student crossed the stage to receive their diploma, applause from the crowd signaled a job well done. Congratulations and best wishes to the Class of 2010!
